

APPLICATION INFORMATION*

Application I-001971

Henry Farms, Inc.

Henry Mine & Irrigation Pond Mine

Location: The proposed mine is located on St. Helena Island in Beaufort County. The site is 0.3 mile east of the junction of SC Secondary Highways S-7-45 (Lands End Road) and S-7-164 (Perry Road). The site is located 0.15 mile east of Tuc-In-The-Woods Lane in a large tract of agricultural land.

Mineral: sand/ clay

Operation: Excavations will be done with a trackhoe or front end loader. All material will be loaded directly onto trucks for transport.

Processing: No processing will be done at the site.

Reclamation: The site will be reclaimed to an irrigation pond.

Maximum Depth: 38 feet

Acreage**: 21.5 acres (Permitted Area) owned by the operator

**see map on back

Permitted Area = Affected Acres + Future Reserves + Buffer Acres

Affected Area: 12.6 acres

Future Reserves: 0.0 acres

Buffers: 8.9 acres

Affected Area is any land disturbed by mine activity (pit, roads, stockpile areas, processing plants, etc.); the amount of the reclamation bond is determined based on this acreage. *Future Reserves* are areas containing mineral deposits that have the potential to be mined in the next phase of the operation; prior to starting work in *Future Reserves*, the operator must submit the plans for that area. Typically *Buffer* areas are lands not to be disturbed beyond the pre-mine natural state and serve several purposes (screen the operation from view, setback mine activities from adjacent properties, etc.); the operator must contact the Department prior to any disturbance of the buffer areas (i.e. removal of timber).

ALL COMMENTS SHOULD BE SUBMITTED TO THE DEPARTMENT

BY 5:00 PM Friday, April 15, 2011.
